

Rivel is currently seeking a talented, motivated **sustainability & corporate governance analyst**. The operational associate will be involved in all aspects of the firm's governance and ESG work for Fortune 500 and Russell 3000 firms. This is a broad-based, fast-paced role and will allow the analyst to experience all facets of our ESG & governance practice. Dedicated associates have an excellent opportunity for advancement.

PRIMARY RESPONSIBILITIES:

- Assist consultants in advising clients on ESG and governance initiatives, disclosures, and engagement.
- Create client presentations and reports.
- Research and analyze governance and ESG materials, disclosures and policies.
- Finalize client deliverables (presentations, reports, research papers).
- Perform other duties as assigned.

REQUIREMENTS:

- Bachelor's degree (Research experience and/or Finance coursework a plus).
- Alignment with Rivel's [core values](#).
- **Minimum 1-2 years in corporate governance and/or sustainability/ESG or equivalent experience.**
- Proficient and experienced in ESG reporting standards & frameworks, such as: SASB, TCFD, UNSDGs, GRI, etc.
- Corporate issuer or investment research experience a plus.
- Excellent written and verbal communications skills.
- Analytical and team player, quick learner with very strong attention to detail and accuracy.
- Have a passion for sustainability and governance.

As data-driven management consultants, Rivel helps management teams and boards improve valuation, mitigate risk and drive performance.

Rivel is a premier governance and sustainability/ESG consulting and research company with a reputation for excellence. We are focused solely on providing strategic advisory, ESG guidance and disclosures, and corporate governance consulting to publicly traded companies.

Our established and rapidly growing client list includes some of the largest publicly traded companies in the world across all industries.
